

Our Company

As an extension of your practice, we focus primarily on finding hidden opportunities for health systems that are desiring expansion and growth through our extensive database of other successful, like-minded clientele.

Our Vision

We are a boutique consulting firm helping healthcare organizations of all sizes achieve their desired goals by building cooperative alliances and strategic partnerships.

Our Mission

Our mission is to provide loyal and mutually beneficial partnerships for healthcare organizations to thrive together, ensuring sustainability, growth, and increased quality.

Industries

Healthcare - Health Systems, Hospitals, Clinics, Medical Supplies & Equipment
Department of Defense, (DoD) - Veterans Health Administration, Veterans Affairs Hospitals, Veterans Affairs Clinics

- Co-Founders, [Anthony "Doc" Ameen](#) and Edwin Daniel, proudly enlisted in the United States Navy as Hospital Corpsmen with a combined 20 years of honorable service and 30 years of healthcare experience. They are both highly decorated combat veterans and recipients of the Purple Heart, as well as the Navy and Marine Corps Achievement Medal with Combat Valor Distinction.
- Together, their passion and dedication drove [veteran's advocacy efforts](#) that gained national media attention, and helped thousands of veterans and military families across the United States.
- Comprised of dedicated military service, international real-world experience, as well as their proven track records with executive leadership in business - Mr. Ameen and Mr. Daniel make a dynamic partnership at Taylor & Lawrence.
- From the battlefield, to the board room, Taylor & Lawrence is ready for all, and yielding to none.
